Grand Academic Portal-GAP cordially invites you to join in and work on the scientific and technical committees of the conferences and journals editorial boards. Membership in the GAP Research Forum can open windows of opportunity for your professional growth and development. Through special scientific and technical committees and divisions, and numerous occasions for scientific and technical exchange with colleagues, GAP gives researchers the power to enhance their knowledge, skills, and professional options.

GAP membership will connect you to a multidisciplinary, global network of thousands of professionals. Our life members' unique knowledge and experience have made the Society the leading resource for best practices in research & academic and community practice. GAP membership offers access to technical innovations, cutting edge information networking opportunities, and exclusive membership benefits.
